

IMPA, Rio de Janeiro, Brazil
August 24-28, 2015

2nd Workshop on
**Combinatorics,
Number Theory
& Dynamical Systems**

We hereby certify that, **Danilo Antonio Caprio**, IMPA - Pós-Doutorando, participated in the 2nd Workshop on Combinatorics, Number Theory and Dynamical Systems, held at Instituto Nacional de Matemática Pura e Aplicada - IMPA – Rio de Janeiro, from August 24 to 28, 2015 and presented the poster: “**Fibonacci adding machine, fibered Julia sets and dynamics in \mathbb{R}^2** ”

Rio de Janeiro, August 28, 2015.

Carlos Gustavo T. de A. Moreira

2nd Workshop on
**Combinatorics,
Number Theory
& Dynamical Systems**

We hereby certify that, ***Dominik Kwietniak***, Jagellonian University, participated in the 2nd Workshop on Combinatorics, Number Theory and Dynamical Systems, held at Instituto Nacional de Matemática Pura e Aplicada - IMPA – Rio de Janeiro, from August 24 to 28, 2015 and presented the poster: **“On entropy-density of ergodic measures for B-free systems”**

Rio de Janeiro, August 28, 2015.

2nd Workshop on
**Combinatorics,
Number Theory
& Dynamical Systems**

We hereby certify that, **Eric Busatto Santiago**, Universidade Estadual Paulista - São José do Rio Preto, participated in the 2nd Workshop on Combinatorics, Number Theory and Dynamical Systems, held at Instituto Nacional de Matemática Pura e Aplicada - IMPA – Rio de Janeiro, from August 24 to 28, 2015 and presented the poster: “**Existence of invariant measures**”

Rio de Janeiro, August 28, 2015.

2nd Workshop on
**Combinatorics,
Number Theory
& Dynamical Systems**

We hereby certify that, **Gustavo Antonio Pavani**, Universidade Estadual Paulista - São José do Rio Preto, participated in the 2nd Workshop on Combinatorics, Number Theory and Dynamical Systems, held at Instituto Nacional de Matemática Pura e Aplicada - IMPA – Rio de Janeiro, from August 24 to 28, 2015 and presented the poster: “**A class of cubic Rauzy fractals without the (F) Property**”

Rio de Janeiro, August 28, 2015.
