

CERTIFICATE

celebrating Clovis Gonzaga's 70th birthday

X Brazilian Workshop on Continuous Optimization

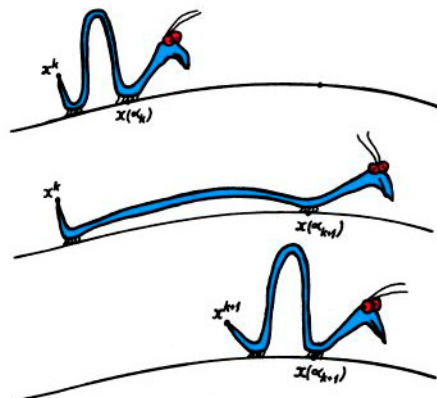

Florianópolis, Santa Catarina, Brazil

March 17th to 21st, 2014

We hereby certify that, **Daniella Porto, Universidade Estadual Paulista - São José do Rio Preto**, participated in the X Brazilian Workshop on Continuous Optimization. Celebrating Clovis Gonzaga's 70th birthday held at Florianópolis, Santa Catarina, from March 17 to 21, 2014 and presented the following poster: **“Approximation to impulsive optimal control problems using the Euler's discretization”**.

Florianópolis, March 21, 2014.

X Brazilian Workshop on Continuous Optimization

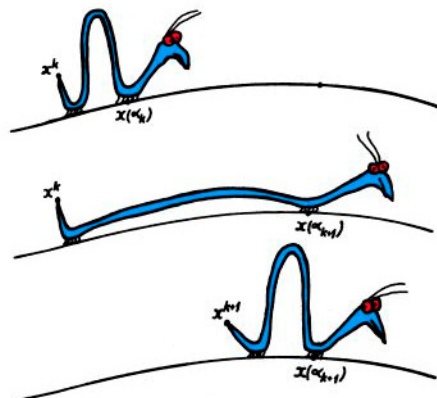

Florianópolis, Santa Catarina, Brazil

March 17th to 21st, 2014

We hereby certify that, ***Gilson do Nascimento Silva***, **Universidade Federal de Goiás**, participated in the X Brazilian Workshop on Continuous Optimization. Celebrating Clovis Gonzaga's 70th birthday held at Florianópolis, Santa Catarina, from March 17 to 21, 2014 and presented the following poster: “**Melhorias na Análise de Convergência Local do Método de Newton Sob a Condição Majorante**”.

Florianópolis, March 21, 2014.

X Brazilian Workshop on Continuous Optimization

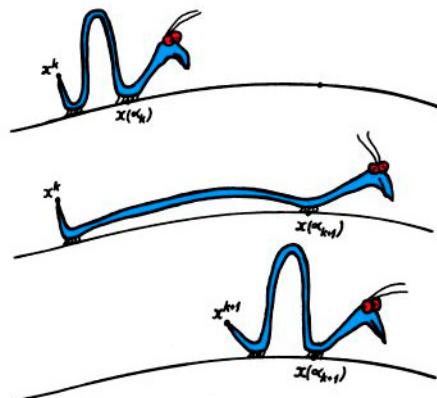

Florianópolis, Santa Catarina, Brazil

March 17th to 21st, 2014

We hereby certify that, **Leonardo Moreto Elias, Universidade Federal do Paraná**, participated in the X Brazilian Workshop on Continuous Optimization. Celebrating Clovis Gonzaga's 70th birthday held at Florianópolis, Santa Catarina, from March 17 to 21, 2014 and presented the following poster: “**A theoretical basis for lower semi-continuous functions's conjugation**”.

Florianópolis, March 21, 2014.

X Brazilian Workshop on Continuous Optimization

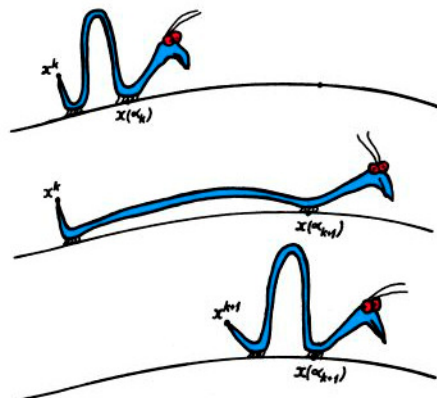

Florianópolis, Santa Catarina, Brazil

March 17th to 21st, 2014

We hereby certify that, **Marco Antonio Figueiredo Menezes**, **Pontifícia Universidade Católica de Goiás**, participated in the X Brazilian Workshop on Continuous Optimization. Celebrating Clovis Gonzaga's 70th birthday held at Florianópolis, Santa Catarina, from March 17 to 21, 2014 and presented the following poster: **“A Gonzaga's Problem”**.

Florianópolis, March 21, 2014.

X Brazilian Workshop on Continuous Optimization

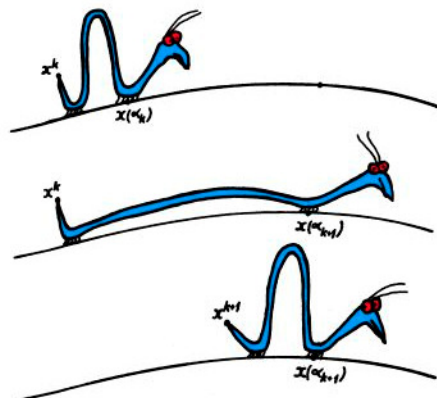

Florianópolis, Santa Catarina, Brazil

March 17th to 21st, 2014

We hereby certify that, **Marluce da Cruz Scarabello**, Instituto Nacional de Pesquisas Espaciais, participated in the X Brazilian Workshop on Continuous Optimization. Celebrating Clovis Gonzaga's 70th birthday held at Florianópolis, Santa Catarina, from March 17 to 21, 2014 and presented the following poster: **“The q-CG Method Applied to the Wave Annihilation Problem”**.

Florianópolis, March 21, 2014.

X Brazilian Workshop on Continuous Optimization

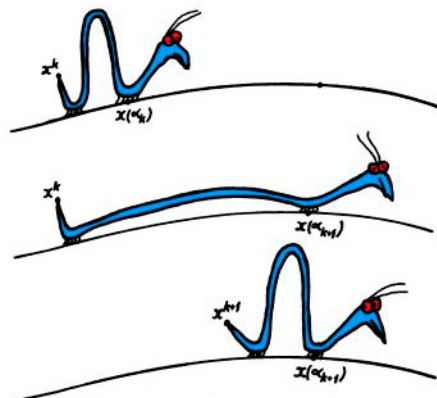

Florianópolis, Santa Catarina, Brazil

March 17th to 21st, 2014

We hereby certify that, **Oliver Kolossoski, Universidade Federal do Paraná**, participated in the X Brazilian Workshop on Continuous Optimization. Celebrating Clovis Gonzaga's 70th birthday held at Florianópolis, Santa Catarina, from March 17 to 21, 2014 and presented the following poster: “**A Quasi-Newton Method for Solving a Spheres Intersection Problem**”.

Florianópolis, March 21, 2014.

X Brazilian Workshop on Continuous Optimization

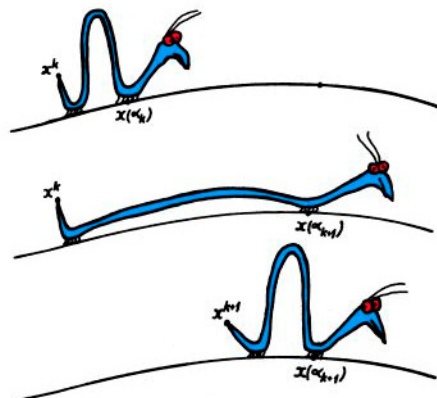

Florianópolis, Santa Catarina, Brazil

March 17th to 21st, 2014

We hereby certify that, **Priscila Savulski Ferreira**, **Universidade Federal do Paraná**, participated in the X Brazilian Workshop on Continuous Optimization. Celebrating Clovis Gonzaga's 70th birthday held at Florianópolis, Santa Catarina, from March 17 to 21, 2014 and presented the following poster: **“A derivative-free trust-region algorithm for unconstrained problems”**.

Florianópolis, March 21, 2014.

X Brazilian Workshop on Continuous Optimization

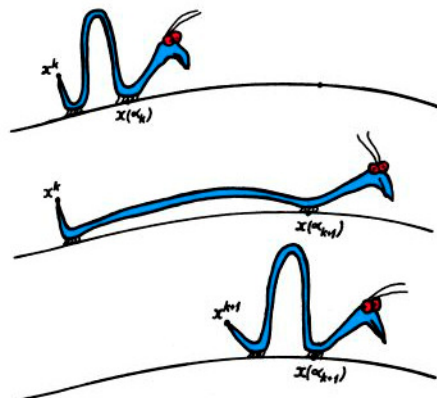

Florianópolis, Santa Catarina, Brazil

March 17th to 21st, 2014

We hereby certify that, **Raniere Gaia Costa da Silva, IMECC**, participated in the X Brazilian Workshop on Continuous Optimization. Celebrating Clovis Gonzaga's 70th birthday held at Florianópolis, Santa Catarina, from March 17 to 21, 2014 and presented the following poster: “**Perprof-py -- A Python Package for Performance Profile**”.

Florianópolis, March 21, 2014.

X Brazilian Workshop on Continuous Optimization

Florianópolis, Santa Catarina, Brazil

March 17th to 21st, 2014

We hereby certify that, **Reinier Díaz Millán, Universidade Federal de Goiás**, participated in the X Brazilian Workshop on Continuous Optimization. Celebrating Clovis Gonzaga's 70th birthday held at Florianópolis, Santa Catarina, from March 17 to 21, 2014 and presented the following poster: “**A variant of forward-backward splitting method for the sum of two maximal monotone operators with a new search strategy**”.

Florianópolis, March 21, 2014.

X Brazilian Workshop on Continuous Optimization

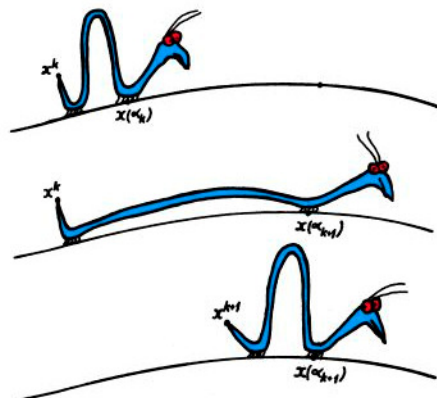

Florianópolis, Santa Catarina, Brazil

March 17th to 21st, 2014

We hereby certify that, **Tiago de Moraes Montanher, Instituto de Matemática e Estatística**, participated in the X Brazilian Workshop on Continuous Optimization. Celebrating Clovis Gonzaga's 70th birthday held at Florianópolis, Santa Catarina, from March 17 to 21, 2014 and presented the following poster: “**Global estimation of hidden Markov model parameters via interval arithmetic**”.

Florianópolis, March 21, 2014.

X Brazilian Workshop on Continuous Optimization

Florianópolis, Santa Catarina, Brazil

March 17th to 21st, 2014

We hereby certify that, ***Tibério Bittencourt de Oliveira Martins***, **Universidade Federal de Goiás**, participated in the X Brazilian Workshop on Continuous Optimization. Celebrating Clovis Gonzaga's 70th birthday held at Florianópolis, Santa Catarina, from March 17 to 21, 2014 and presented the following poster: **“Local convergence analysis of Inexact Newton method with relative residual error tolerance under majorant condition in Riemannian Manifolds”**.

Florianópolis, March 21, 2014.
