

International Workshop in ***Elliptic and Kinetic PDEs***

IMPA, Rio de Janeiro, Brazil
July 06 - 17, 2015

Thematic Program
Current Trends in Analysis and Partial Differential Equations

CERTIFICATE

We hereby certify that, ***Adilson Eduardo Presoto***, **Universidade Federal de São Carlos**, participated in the International Workshop on Elliptic and Kinetic Partial Differential Equations – Thematic Program: Current Trends in Analysis and Partial Differential Equations, held at Instituto Nacional de Matemática Pura e Aplicada – IMPA, Rio de Janeiro, from July 06 to 17, 2015 and presented the poster: “**The acalmar Chern-Simons equation**”

Rio de Janeiro, July 17, 2015.

International Workshop in ***Elliptic and Kinetic PDEs***

IMPA, Rio de Janeiro, Brazil
July 06 - 17, 2015

Thematic Program
Current Trends in Analysis and Partial Differential Equations

CERTIFICATE

We hereby certify that, ***Ariadne Nogueira***, Instituto de Matemática e Estatística, participated in the International Workshop on Elliptic and Kinetic Partial Differential Equations – Thematic Program: Current Trends in Analysis and Partial Differential Equations, held at Instituto Nacional de Matemática Pura e Aplicada – IMPA, Rio de Janeiro, from July 06 to 17, 2015 and presented the poster: “**Elliptic equations in thin domains with oscillatory boundary**”

Rio de Janeiro, July 17, 2015.

International Workshop in ***Elliptic and Kinetic PDEs***

IMPA, Rio de Janeiro, Brazil
July 06 - 17, 2015

Thematic Program
Current Trends in Analysis and Partial Differential Equations

CERTIFICATE

We hereby certify that, ***Jose Miguel Mendoza Aranda***, **Universidade Federal de São Carlos**, participated in the International Workshop on Elliptic and Kinetic Partial Differential Equations – Thematic Program: Current Trends in Analysis and Partial Differential Equations, held at Instituto Nacional de Matemática Pura e Aplicada – IMPA, Rio de Janeiro, from July 06 to 17, 2015 and presented the poster:
“Estimativas a Priori para Problemas Elípticos via Desigualdade de Hardy-Sobolev”

Rio de Janeiro, July 17, 2015.

Elliptic and Kinetic PDEs

IMPA, Rio de Janeiro, Brazil
July 06 - 17, 2015

Thematic Program
Current Trends in Analysis and Partial Differential Equations

CERTIFICATE

We hereby certify that, ***Julio Cesar Valencia Guevara***, IMECC, participated in the International Workshop on Elliptic and Kinetic Partial Differential Equations – Thematic Program: Current Trends in Analysis and Partial Differential Equations, held at Instituto Nacional de Matemática Pura e Aplicada – IMPA, Rio de Janeiro, from July 06 to 17, 2015 and presented the poster: “**Periodic solutions for a 1D-model with nonlocal velocity field via mass transport**”

Rio de Janeiro, July 17, 2015.
