Hyperbolic Geometry and Minimal Surfaces

IMPA, Rio de Janeiro, Brazil
January 4th to 10th, 2015

We hereby certify that, **Andrea Seppi**, **Dipartimento di Matematica Felice Casorati**, participated in the Hyperbolic Geometry and Minimal Surfaces, held at Instituto Nacional de Matemática Pura e Aplicada – IMPA, Rio de Janeiro, from January 04 to 10, 2015 and presented the following work: “**Minimal Surfaces in Hyperbolic space with small quasicircle at infinity**”.

Rio de Janeiro, January 10, 2015.

Hyperbolic Geometry and Minimal Surfaces

IMPA, Rio de Janeiro, Brazil
January 4th to 10th, 2015

We hereby certify that, **Mirjana Miljevic**, **Hokkaido University**, participated in the Hyperbolic Geometry and Minimal Surfaces, held at Instituto Nacional de Matemática Pura e Aplicada – IMPA, Rio de Janeiro, from January 04 to 10, 2015 and presented the following work: “**Totally real statistical submanifolds**”.

Rio de Janeiro, January 10, 2015.
