

We hereby certify that, **Ademir Pastor Ferreira - IMECC**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**Orbital stability of traveling waves for dispersive models**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Andrea R. Nahmod** - **University of Massachusetts Amherst**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: **“Global flows for random SQG”**.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Claudio Muñoz - Universidad de Chile**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**Decay properties in equations arising from fluids**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Didier Jacques François Pilod - University of Bergen**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**Well-posedness for some dispersive perturbations of Burger’s equation**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Jaime Angulo Pava** - **Universidade de São Paulo**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**Stability of bump-like standing waves for the NLS equation with δ' -interaction**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Jean-Claude Saut - Université Paris - Sud**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**On fractional type KP equations**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Kenji Nakanishi** - **Kyoto University**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**Global dynamics below the ground state for the Zakharov system in four dimensions**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Luca Fanelli** - **Università di Roma - la Sapienza**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**Sharp Decay at distinct times for some dispersive equations**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Luiz Gustavo Farah Dias** - **Universidade Federal de Minas Gerais**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**On the supercritical gKdV equation**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Martel Yvan** - **École Polytechnique**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**Minimal mass blow up solutions for critical nonlinear dispersive problems**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Nicola Visciglia** - **Università di Pisa**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**Conservation laws and almost conservation laws for dispersive equations**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Patrick Gérard - Univ. Paris-Sud**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**On the half wave maps equation**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Pedro Isaza - Universidad Nacional de Colombia**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**Exponential decay properties of solutions to the fifth-order KdV equation**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Pierre Raphaël** - **Université Nice Sophia Antipolis**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**TBA**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Svetlana Roudenko - George Washington University**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**On spectral properties for blow-up and soliton stability in dispersive equations**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Thomas Duyckaerts - Université Paris 13**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**Exterior energy bounds for wave equations and applications**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee

We hereby certify that, **Tohru Ozawa** - **Waseda University**, participated in the Workshop Nonlinear Dispersive Equations, held at Hotel Mar de Canasvieiras – Florianópolis, Santa Catarina from July 27 – 30, 2018 and presented the following plenary talk: “**Improved Hardy Inequalities**”.

Rio de Janeiro, July 30th, 2018

Felipe Linares
Organizing Committee
